Continuation of Substance of Interview including description of the general nature of what was discussed:

The Examiner has informed the Applicant's representative that IDS filed on 10/5/05 has not been considered, because the sole reference cited on the IDS (US/5,323,292) is already of record (see PTO-892 mailed on 05/03/05). Therefore, the redundant consideration is not necessary. The attorney has agreed that redundant consideration is not necessary.
